

## English Department Homework Club

**Does your son or daughter find completing homework challenging?**

**Do they struggle to 'get on with it'?**

**Do they wish they could work somewhere quiet?**

**Do they leave class unsure of what to do next to improve?**

### The answer

The English department will be running a twice weekly Homework Club – one at lunch time and the other after school.

The Club will be there to support pupils in their study and revision of course work but also to allow pupils who find completing work at home challenging.

Pupils will have the opportunity to utilise resources of the English Department including:

- Teacher support/expertise
- Access to text books
- Access to past papers/practice papers
- Use of a laptop
- A quiet and focussed place to work

It is hoped that pupils will use the Club regularly across the year groups to help them with their studies.

### Days and times

**Monday lunch time in Room 206**

**Thursday after school from 3:45 to 4:45 in Room 206**
